1. Po kliknutí na položku *Journal Citation Reports* sa otvorí stránka určená na vyhľadávanie časopisov:

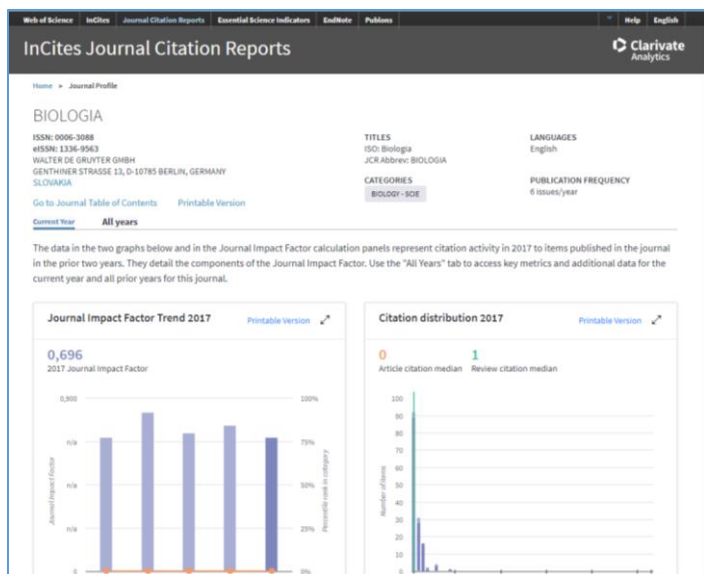

2. Výberom funkcie *Browse by journal* sa otvorí stránka, kde je možné zadať do vyhľadávacieho okna ISSN alebo názov časopisu:

The screenshot shows the 'Journals By Rank' page in the Journal Citation Reports. A search bar at the top left contains the word 'BIOLOGIA'. The page is divided into two tabs: 'Journals By Rank' and 'Categories By Rank'. The 'Journals By Rank' tab is active, showing a table of journals ranked by impact factor. The table has columns for 'Full Journal Title', 'Total Cites', 'Journal Impact Factor', and 'Eigenfactor Score'. The table lists 8 journals, with 'NEW ENGLAND JOURNAL OF MEDICINE' having the highest impact factor of 0.70200. The 'Go to Journal Profile' button is highlighted with a red box.

	Full Journal Title	Total Cites	Journal Impact Factor	Eigenfactor Score
