# Silicon Valley in Bratislava?

WHAT THE HACK?

```cpp
const bool ONCE_IN_A_LIFETIME_OPPORTUNITY = 1;

class Developer
{
    public: int code_is_poetry = 1;
    public: int ready_for_adventure = 1;
}

int main() {
    Developer you;

    if (you.code_is_poetry != 1)
        return 0;

    if (ONCE_IN_A_LIFETIME_OPPORTUNITY)
    {
        if (you.ready_for_adventure) {
            you.visit("www.syncular.io/tachyum");
            you.see_open_positions();
            you.send_us_your_CV();
        }
    }
}
```
