**Faculty of Natural Sciences  
Biological serie**

---

**Vol. 5, Suppl. 2, pp. 1–100  
October 2015**

# **MATTHIAS BELIVS UNIVERSITY PROCEEDINGS**

## **Journal of Experimental and Theoretical Biology**

### **Publication**

*Matthias Belivs University Proceedings*, a journal edited by Faculty of Natural Sciences of Matthias Belivs University, appears occasionally.

### **Aims and scope**

*Matthias Belivs University Proceedings* publishes any contribution of original information, experimental or theoretical, that advances the science of all aspects botany, zoology, molecular and general biology. Typescript of original research papers is preferable. Review articles, short communications and conference reports are also wellcomed. All manuscripts will be subject to peer review before publication.

### **Editor-in-Chief**

Roman Alberty  
Matthias Belivs University

### **Associate Editor**

Valerián Franc  
Matthias Belivs University

### **Editorial Board**

Ivan Ahlers, P. J. Šafárik University, Košice  
Ingrid Turisová, Matthias Belivs University  
Gregg Losinski, Idaho Department Fish & Game, USA  
Milada Švecová, Charles University, Prague  
Karol Mičieta, Comenius University, Bratislava  
Peter Bitušík, Matthias Belivs University

### **Submission of papers**

Contributions in English or Slovak language should be sent (on-line) to:

Doc. RNDr. Roman Alberty, CSc.  
Department of Biology and Ecology
