

MATEJ BEL UNIVERSITY

CERTIFICATE

FACULTY OF NATURAL SCIENCES

WE HEREWITH CONFIRM THAT

Prof. Dr. Andreja Tepavčević

University of Novi Sad (Serbia)

ATTENDED AN ERASMUS+ MOBILITY AT OUR FACULTY (Department of Mathematics)
IN THE TIME PERIOD OF 15 - 19 OCTOBER 2018.

Mobility Programme

- Lattice theory: Ordered sets and basics of lattice theory (2 hours)
- Lattice theory: Residuated lattices and related structures (2 hours)
- Fuzzy set theory: Fuzzy set theory developed with residuated lattices as codomain structures (2 hours)
- Fuzzy set theory: Application to relational equations and preference relational theory, open problems for PhD students (2 hours)

19 October 2018

doc. RNDr. Marek SKORŠEPA, PhD.
Vice-Dean for International Cooperation
